

First Grade Snow Day Lesson Plan

Science

1. Fill 3 cups with snow. Use ice cubes if there's no snow.
2. Put each cup in a different spot in your house.
3. Answer these questions:

Which one melted the fastest?

Where was it?

Why do you think it melted the fastest?

What could you do to make the snow melt faster?

Reading

1. Find a fiction book.
2. Read it.
3. Write down the author's name, the illustrator's name, the characters, setting, problem and solution.

Math

1. Count how many windows are in your house.
2. Write it down.
3. Is this an even or odd number? How do you know?

Writing

1. Brush your teeth.
2. Write four steps you did.

Remember to use the words, first then, next and last in your sentences.
