

FINGERPRINT INFORMATION

Marlington requires both the BCI (state) and FBI (federal) background checks. It is good for 5 consecutive years. If you skip a year of volunteering, Marlington requires that you get both the BCI and FBI background checks again.

Here are some options to consider.....

- **Alliance Career Center (the old North Lincoln School) - Monday through Thursday - Must call for appointment at 829-2267 (they have evening hours too) - Cost: \$56.00 -check or money order only**
- **Copeland Oaks (Paul Freer/Head of Security) in Sebring - Cost: \$56.00 (Must make appointment - 938-1502)**
- **Stark County Education Service Center (2100-38th Street in Canton) 492-8136 - Cost: \$51.00 - personal check only
Mon - Thur 9:00-11:00 & 1:00-3:30
Must call for appointment: 492-8136**

***You must take your Ohio driver license and they don't take cash so ask what types of payment they do take.**

Once you have completed your fingerprinting, please turn the paid receipt into the Project Coordinator so she can submit it to the Treasurer for partial reimbursement (\$31.00) along with your FBI and BCI results. There are some volunteers who have elected in the past not to turn in a receipt. That is fine too. It does take some time to process the reimbursement. Please let the Project Coordinator know if you are not reimbursed within 30 days so she can follow up on it.
