

Response Report

Session: MHS/MMS Community Survey

Class: Survey 100

Class Points Avg: N/A

(Includes only students who took assessment)

1 1. If you had to choose between option #1, #2 or #3, which would you choose?		
A	89%	Option #1 includes: New high school, renovated middle school and one (1) new K-5 elementary school
B	5%	Option #2 includes: New high school, renovated middle school and three (3) new K-5 elementary schools
C	0%	Option #3: Do nothing
D	0%	

2 2. If your first option is not selected by the board, would you still support the board's decision at the polls?		
A	95%	Yes
B	5%	No
C	0%	
D	0%	

3 3. Please select which statement best describes your viewpoint. Is the fact that the district is receiving 43% from the State of Ohio to co-fund either of these construction options a compelling enough reason to support the issue?		
A	47%	Most compelling
B	47%	Somewhat compelling
C	0%	Neutral
D	5%	Less compelling
E	0%	Not compelling

4 4. Would you support a bond issue that would cost approximately between \$17 – \$22 per month for a \$100,000 household valuation?		
A	95%	Yes
B	0%	No
C	0%	
D	0%	
E	0%
