CONGRATULATIONS

Class of 2017

Superintendent's Message

I would like to begin by congratulating the Class of 2017! This exceptional group of students is about to make its mark on the world. I will miss having them as part of our district, but I know they will achieve many great accomplishments. Seniors, you represented yourself, this school and community in a positive manner. You are always welcome back at Marlinton. Once a Duke, always a Duke!

Over the past school year, we have seen many exciting updates at Marlinton. First, we are continuing with our 1 to 1 integration at Marlinton High School, with all students receiving a MacBook Air. These devices put technology right at their fingertips and increase opportunities for learning.

At the elementary level, the STEM program has expanded to STEAM, encompassing Science, Technology, Engineering, Arts and Math. Different classes are now using STEAM labs with MakerSpaces, meaning students are able to create projects and collaborate on lessons using interactive technology. These spaces are designed to help students with teamwork and creative problem solving.

I would like to thank everyone who donated to the Marlinton Education Innovation Fund, the goal of which is to promote, encourage and enhance our students' educational opportunities by empowering staff members to try new and creative programs that support our strategic plan. We are in the process of awarding recipients grants for the 2017-2018 school year. If you are interested in

donating, please visit [www.marlingtoneducationfund.com](http://www.marlingtoneducationfund.com).

Over the summer months, we will see construction at the middle school, with renovations to the science labs and new flooring throughout the building.

The district has also partnered with the city of Alliance to run water to the middle and high schools. This will help to ensure the water at both schools meets EPA standards and allows the district to focus on educating students.

Remember to keep up with Marlinton Local Schools this summer through our social media pages. You can find us at:

- Facebook: [www.facebook.com/MarlintonLocal](http://www.facebook.com/MarlintonLocal)
- Twitter: @MarlintonLocal
- Instagram: Marlinton\_Local

Please "Like" and "Follow" our pages to keep up to date on district happenings.

Have a great summer!

Positively Marlinton!

Joe Knoll, Superintendent

## Summer Food Service Program

The summer food service program provides free breakfast and lunch at Marlboro Elementary, Marlinton High School and Maranatha Ministries.

ALL children 18 years old and under are eligible to receive a free breakfast and lunch. No registration is required to join the program.

- Marlboro Elementary  
8131 Edison Street  
Alliance, Ohio 44601  
June 14-July 26 (Closed July 4)  
Breakfast 8:30-9 a.m.  
Lunch 12-12:30 p.m.
- Marlinton High School  
10450 Moulin Avenue NE  
Alliance, Ohio 44601  
June 13-Aug 16  
Breakfast and lunch times vary based on different programs.
- Maranatha Ministries  
14289 Edison Street NE  
Alliance, Ohio 44601  
July 17-21  
Breakfast 8:30-9 a.m.  
Lunch 11:30 a.m.-12 p.m.

Visit [www.marlingtonlocal.org](http://www.marlingtonlocal.org) and click on Food Service for updates or call 330.821.4017.

## Financial Report

By: *Leslie Pierce, Treasurer*

The end of fiscal year 2017 is the end of my second year as the treasurer of Marlinton Local School District. In addition to being a very busy and rewarding year academically, it has been a very busy year financially with numerous capital and other projects completed and currently underway throughout the district.

**Some of the financial highlights for the 2016-17 school year are as follows:**

- New contract with the Classified Staff for the time period July 1, 2017 through June 30, 2020
- Completion of the HS Fab/Cad Lab
- Contract with the city of Alliance through the EPA for city water to the HS and MS campus
- 1 new school bus purchased
- Various equipment purchased for the HS Career Tech programs
- Security equipment upgrade at the HS and Moulin Center underway
- MS flooring and science room renovation projects underway
- HS Stadium Turf Field Project underway with the Athletic Booster Club
- Update to HS library (DLZ) ceiling, walls, and flooring currently underway
- Various repairs to buildings, roofs and parking lots throughout the district

A non-capital related project completed this school year is the school district joining the Treasurer of Ohio's 'Ohio Check Book' online reporting of expenditures by school districts. This online source provides the public access to what school districts spend by year, by vendor, by type of expenditure, etc. The last three years of the school district's spend has been uploaded to this online portal. The website can be found at: <http://local.ohiocheckbook.com/>. The school district will add fiscal year 2017 expenditures to the website upon completion and reporting of the fiscal year. Please let our office know of any questions when using this website.

We are currently awaiting the finalization of the Biennium Budget from the State for Fiscal Years 2018 and 2019. Currently, the state is proposing an approximate \$380,000 reduction in state funding from FY2017 levels due to the continuing decline in student enrollment in our district. The school district will need to revise the FY2018 budget and forecast accordingly by reducing expenditures and/or utilization of the General Operating Fund carryover cash balance.

We are also currently awaiting the decisions by the Board in regards to the plan going forward to resolve the capital improvement needs of our elementary buildings; more to come on this much needed investment!

We have an 8.5 mill operating levy that is up for renewal beginning in November 2017. This operating levy is very important to the school district and supports normal operating expenditures such as salaries, benefits, educational supplies, software, and services for the district. We currently plan to have the renewal operating levy on the November 2017 ballot and very much appreciate the communities continued support of the renewal of this operating levy; this is not a new tax.

It's been another exciting and busy year for me at Marlinton. We have a great staff and I am looking forward to the next school year and all the things we can accomplish to continue to make Marlinton a wonderful place for learning! In the meantime, enjoy your summer!

### School Bus Drivers Needed - Substitutes - \$13.00/hour

The Marlinton Local School District transportation department is looking for quality people who would be interested in becoming certified substitute bus drivers and could possibly turn into full-time drivers. We have excellent on-staff instructors who would guide you through the training. It is a great occupation for people with school-age children. Who better to "Deliver the Dukes" than parents of the community?

We'll train you and help you get your certification. We will help you obtain your Class B CDL License and a School Bus Endorsement/Passenger Endorsement.

If you enjoy being around kids and are interested in being a part of the Marlinton Local School District, contact Sheri Sickles at the transportation department at **330.821.4027**.

## Curriculum Update

By: Carole Sutton, Assistant Superintendent/Curriculum Director

During the 2016-2017 school year, the Marlinton Local School District made progress on many strategic plan goals. Areas of focus this year were three strategic plan goals that involve the curriculum: goals three, four and five.

Goal three of the plan is to enable every teacher to effectively utilize technology to enhance instruction and provide a technology-rich educational experience for every child. This year:

- Marlinton High School reached the milestone of having a 1:1 ratio of students to MacBook Airs.
- Our social studies teachers began using the Discovery Education Social Studies TechBook at all levels.
- Students in grades 6-12 are now using the Schoology learning management system to better connect the use of technology to the classroom. Many teachers have participated in professional development as they learn and implement the Schoology system.
- We have started to define the plan for technology integration. All state testing will be done online, technology is integrated in the

classroom beginning in fourth grade and we have increased the number of online courses and programs.

- STREAM labs were introduced at the elementary buildings.

Goal four of the plan is to work toward K-12 continuity and grade-level consistency of quality curriculum throughout the school district. To reach this goal, we have:

- Completed curriculum mapping for all grade levels and have vertically aligned the curriculum throughout the district.
- Made improvements to the structure and review of Student Learning Objectives (SLOs).
- Vertically aligned all waiver day activities for grades four through 12.
- Hosted grade level and content meetings to encourage collaboration between educators. Other collaborative meetings include curriculum focus teams, monthly data meetings between principals and teachers, and monthly meetings for all elementary principals.

Goal five is to ensure all Marlinton students graduate with a post-graduation plan of action and a pathway that empowers them to compete in the 21st century. This year:

- Our high school started using Ohio Means Jobs in student success plans in order to give students more resources when choosing a career path.
- We implemented a leadership course at the high school.
- We introduced a College Credit Plus chemistry course through the University of Mount Union that will generate eight college credit hours for students who pass the final exam.

To recap, during the 2016-2017 school year, we:

- Introduced STEAM labs at the elementary schools.
- Introduced the eschoolPlus home access center.
- Reached a 1:1 ratio of students to MacBook Airs at the high school.
- Introduced standards-based report cards in grades K-5.
- Began to study Universal Design Learning tactics such as flexible seating and began to follow a co-planning and co-serving model of instruction.

- Received two grants: a social justice collaborative grant through Greater Stark County Region and the Collaborative Project with Arts in Stark Grant "M is for Marlinton."

All of the above progress will ultimately provide our students with a better academic experience and increase their level of achievement and ability to succeed. We look forward to the 2017-2018 school year and the progress we will continue to make.

These highlights are examples of what makes us: "Positively Marlinton!"

Enjoy the sun of summer!

## Spotlight on Staff

### Staff Recognition – Twenty Year Service

Congratulations to staff members who were recently honored for their 20 years of service to the Marlinton Local School District. We thank them for their continued dedication and service to the students in our community.

Jennifer Blake  
Intervention Specialist  
High School

Cindy Bowser  
Grade 3  
Washington Elementary

Lois Griffith  
Cafeteria/Monitor  
Lexington Elementary

Sharon Holbrook  
Bus Driver/Cafeteria  
District/Middle School

Melissa Leone  
Grade 6  
Middle School

Trish Steede  
Custodian  
Lexington Elementary

Carrie Smith  
Grade 1  
Marlboro Elementary

### Congratulations Retirees!

Best wishes and a heartfelt thank you to the following staff members who have retired this past year. We wish them the best!

Carolyn Howe  
Cafeteria  
Lexington Elementary

Kenneth Lott  
Custodian  
Washington Elementary

Lori Reay  
Educational Assistant  
Middle School

### Education Celebration Nominees:

Education Celebration is held each year by the Stark County Educational Service Center to honor an All-County Teaching Team. Teachers are honored for their dedication to the classroom, commitment to the school system, and desire to go above and beyond for each individual child. Each school in the county nominates a Teacher and a Rookie for the teaching team. Congratulations to our nominees this year:

HS Teacher of the Year

Mrs. Teresa Phillips

Moon Moulin Award Winner

Mrs. Betty Sherman

State Award for Exemplary Contribution to Service to Athletics

Mr. Rick Baxter

## Booster Club Continues to Raise Funds for Turf Field

On behalf of the Marlington Athletic Booster Club, I would like to thank the Marlington Community for all of your support for our #GotTurfPride fundraising for our new turf field. The new turf field will benefit our athletes, band, physical education classes and more. To date, we have raised more than \$315,000 thanks to you and we still need your help to get to our goal of \$620,000. We will be holding various fundraising events throughout the year that we hope you will support. These events include:

1. Ohio State vs. Michigan Football Game Tickets Raffle
2. Fall Pig Roast - August 18 at Sable Creek Golf Course
3. Night at the Races - organized by

the Marlington Soccer Boosters date TBD

4. Casino Night - November 18 at Courtney's Banquet Center

Along with your support of these events, you can also donate directly to our #GotTurfPride fund. Please contact me at 330-428-0268 with any questions

about the event or to donate. Thank you, again, Marlington Community, for all of your support! Go Dukies!

Sincerely,

Rick Baxter

*President, Marlington Athletic Booster Club*

## Attention Parents! Important Immunization Information

Ohio State Law requires all children to be properly immunized against childhood diseases in order for them to attend school. The Ohio Department of Health requires all schools to provide documentation of students who have not received the required vaccinations for school. Without proper documentation of all required immunizations, your child will be excluded from school and school activities beginning Wednesday September 20, 2017, until written proof of these immunizations is received in the school office. All school absences from this exclusion are unexcused and will be counted as such.

If you have received a letter from the nurse about missing immunizations, please turn in an updated shot record including those immunizations. If your child is entering seventh grade, a Tdap (Tetanus, Diphtheria and Pertussis) and Meningococcal (A, C, Y, W-135) are required in addition to the shot record the school already has on file. If your child is entering 12th grade, a Meningococcal (A, C, Y, W-135) is required after the age of 16 years old in addition to the shot record the school already has on file. Please submit written documentation from your physician/provider or a copy of your child's immunization record to the school office. Thank you for your cooperation in this matter!

# Marlington Alumni Association

## Marlington Alumni Association Adds Two Scholarships

Carl ('66), Gloria, Cindy ('68) and John Battershell ('65)

The Marlington Alumni Association (MAA) is pleased to announce the formation of two new scholarships both awarded for the first time in 2017.

The Battershell Family Scholarship was created in order to celebrate the family's long history in the region and in Marlington Schools. Dating back to the early 1800s, the Battershell family settled in Lexington Township and established homes and farms, started small businesses and began working in local factories and mills.

In 1956, Marlboro, Lexington and Washington Township schools were consolidated to create the Marlington Local School District. Since 1964 when the first Battershell graduated from Marlington, the family has enjoyed a rich history in the area. Serving as employees and teachers in the district, business owners, managers, blue collar

workers, doctors and nurses throughout the region, the Battershell family is pleased to share their heritage and give back to their community. This scholarship supports a hardworking senior pursuing any certificate or degree program with priority given to students considering mechanical/technical programs, agriculture or public service/safety.

The second newly-formed scholarship was fully funded by the Class of 1990 and will help two students, one pursuing a career in business or law, and another pursuing a career in health care or related fields. In addition to academic excellence, recipients of this award must demonstrate high character and strong leadership skills.

The Class of 1990 fully endowed this scholarship in honor of their 25th class reunion. Classmates John Oyster and Tim and Elizabeth (Draper) Muckley spearheaded efforts to organize the core group of donors saying, it is "time to give back." Fellow 1990 friends and classmates have challenged other classes to use reunions or special events to create additional scholarships.

In an effort to help recipients learn from real-world experiences, the Class of 1990 has partnered with the MAA to pilot a scholarship recipient mentoring program.

Individuals who wish to partner with the MAA in support of these or any MAA scholarships may donate online at [www.marlingtonalumni.org](http://www.marlingtonalumni.org) or by sending gifts of any size to PO Box 6001, Alliance, OH 44601.

## MAA Holds Annual Banquet

Glen Lair ('76)

The Marlington Alumni Association (MAA) held its annual meeting and scholarship awards banquet on Monday, April 24, 2017, at the Hartville Kitchen. MAA President Vondea (Bohaychyk) Sheaffer ('76) greeted guests and presided over the event where 41 scholarships totaling \$64,000 were awarded.

MAA Treasurer, Nancy Pruetter ('72), stated the goal of the July

21 golf outing fundraiser at Tannenhaus Golf Course is \$16,000, an increase over 2016 profits which topped \$15,000. Prueter also reported MAA endowments and funds have grown each year because of the hard work of alumni board members, careful and prudent investing and generous alumni and friends. MAA assets now total more than \$1.4 million.

New MAA Board members Heather (McElroy) Hall ('89) and Lori (Penrod) Reay ('75) were introduced and approved for three year terms.

Following dinner, Outstanding Alumni Committee Chair Frank Carozzi ('83) introduced award recipient Glen Lair ('76). Lair currently serves as the Executive Vice President of Product Development and Chief Financial Officer for Human Arc and is responsible for driving the organization's financial strategies including budgeting, audit, tax

and accounting management, and merger and acquisition valuation and analysis. Human Arc works within the health care industry, helping uninsured patients secure coverage through insurance subsidiaries as well as Medicaid and Medicare benefits.

In his remarks, Lair told attendees that when kids are young they are often asked "What are you going to study?" Providing an answer, he said, is a struggle for many and was also for him. During high school he had no career plans, but was influenced as each Sunday night his father lamented how he did not want to go to work the next day. The young Lair prayed God would help him find something he was passionate about.

While still a student at Marlington, Lair took a bookkeeping class and found he liked it and excelled at it. When football coach Dale Herbert asked Lair

and a few teammates if they were going to attend college, the young men were uncertain. Coach Herbert saw potential and personally arranged for the boys to visit Baldwin Wallace College. With that encouragement, and a strong desire to play football, Lair attended college.

Lair encouraged teachers not to underestimate the power they hold, saying that "a simple kindness can change the trajectory of a child's life." He encouraged students to follow their passion, the things in their heart. "Then do what you're good at," he said, "People will notice. You will succeed."

Following Lair's remarks, Sheaffer and Scholarship Committee Chairman Clyde Lepley ('68) announced the scholarship awards:

**Maria Steve** received the Elizabeth Albright Education Scholarship and will attend the University of Youngstown to study psychology.

**Daniel Weimer** received the Battershell Family Scholarship and will attend The Ohio State University to study public management, leadership, and policy.

**Kylie Pontius** received the Louise Bingham Memorial Scholarship and will attend the University of Mount Union to major in art education and minor in special education.

**Hannah Canale** received the Mary Louise Bixler Education Scholarship and will attend the University of Mount Union to study early childhood education.

**Andrew Rininger** received the Richard and Annabelle (Bloss) Bohaychuk Scholarship and will attend the University of Northwestern Ohio to study automotive and high performance motorsports technology.

**Carlee Mitchell** received the Gerald P. Burke Scholarship and one of two Class of 1990 scholarships. Carlee plans to attend the University of Mount Union to

Front Row L to R: Amanda Anstine, Erica Robinson, Dominique Delmoro, Emily Catona, Cassidy Fisher

# Marlington Alumni Association

major in biochemistry and minor in French.

**Benjamin Carman** received the Frank and Anna Carozzi Memorial Scholarship and the second Class of 1990 scholarship and will study mathematics and computer science.

As a top-ranked football player, **Sean Cooley** received the General John Churchill, First Duke of Marlborough, Academic Warrior Award and will attend Kent State University, Stark campus, to study nursing.

**Andrew Adams** received the Class of 1966 Military Award and plans to attend the University of Akron or The Ohio State University to study electrical engineering.

The Ford C. Davis scholarship was awarded to **Christopher Liebhart** who will attend the University of Akron to study aerospace engineering.

**Maranda Neff** received the Lee and Carolyn Gabric Scholarship

and will attend Walsh University to major in nursing.

**Jessica Milburn** received the Barbara Yoder Hall Memorial Scholarship and will attend the University of Mount Union to major in art and graphic design.

**Olivia Yoder** received the Hastings Scholarship and will attend Kent State to major in English and minor in writing.

**Jake DaVolio** received the Thomas Hazen Scholarship and will attend the University of Akron to study mechanical engineering.

**Bryan Bixler** received the Howard and Trudy Kitzmiller Student Athlete Scholarship and will attend the University of Akron to study political science.

**Courtney Nolf** received the Kimi Korleski Memorial Scholarship and will attend the University of Akron to major in music education and minor in psychology.

**Patrick Husk** received the Lex-

ington Township Volunteer Fire Department in Memory of Berkeley Barker Scholarship. He will attend Kent State University to study forensic science.

**Karissa Cowgill** received one of four James Krabill Memorial Scholarships. She will attend Walsh University to study nursing.

**Kaylee Datz** received a James Krabill Memorial Scholarship and the Gordon Eaton Scholarship and will attend the Ohio State University Agriculture Technical Institute to major in floral design and marketing.

**Isabel Mack** was the third recipient of the James Krabill Memorial Scholarship and plans to attend the University of Akron to major in education or speech pathology for children.

**Sheridan Rummell** received the James Krabill Memorial Scholarship and will attend Kent State University to major in chemistry in order to pursue a pharmaceu-

tical career.

**Brooke Brodzinski** received the Wayne and Bertha McAlister Scholarship, will attend the University of Toledo and plans to pursue a career in pharmacy.

**Nathan Mohr** received the McIntosh Family Scholarship and will attend the University of Akron to study aerospace engineering.

**Jenna Hamby** received the Pete Moulin Memorial Scholarship and will attend Kent State University to study nursing.

**Bekah Locke** received the Rita Moulin Memorial Scholarship and will attend Geneva College with a double major in communications and ministry.

**Olivia Morey** received the Eleanor Ramser Scholarship and will attend the University of Mount Union to major in art and minor in Spanish.

**Erica Robinson** received one of two Scott and Cheryl Robertson

# Marlington Alumni Association

June 2017

Scholarships and will attend The Ohio State University to study business.

**Caden Swisher**, also a recipient, plans to attend the University of Akron to major in business and will pursue a degree in financial planning and advising.

**Stephen Kinney** received the Melvin J. Snode Memorial Scholarship and will attend the University of Mount Union to major in psychology.

**Emily Catona** received the Harold (Hal) and Ruth Sweitzer Scholarship and will attend Kent State University to double major in fashion design and merchandising and minor in French.

**Kyle Sawyer** received the Carol Teutsch Memorial Scholarship and will attend Stark State to study biology.

**Carolyn Mast** received one of two MAA Duke Scholarships and will attend Kent State University, Stark Campus, to study early childhood development and special education.

**Dustin Schafer** received the second Duke Scholarship and will attend the University of Akron to major in electrical engineering.

Supported by alumni and friends, four Marlington Alumni Association Scholarships were awarded.

**Amanda Anstine** will attend the University of Akron to study mechanical engineering; **Dominique Delmoro** will attend Ohio Wesleyan University to major in biology and pre-med, **Cassidy Fisher** will attend The Ohio State University to study applied mathematics; and **Devin Hoebeke** will attend Stark State and the University of Akron to major in mechanical engineering.

The banquet event ended with Marsha (Rinehart) Graham ('70) leading attendees in the singing of the alma mater.

# Marlington High School CONGRATULATIONS

## Class of 2017

Commencement took place June 4, 2017, at the University of Mount Union, Peterson Field House. The class valedictorian was Rebekah Locke and the class president was Jessicca Terry.

*Congratulations to the Class of 2017!*

### Top Scholars:

#### 12th Grade

Rebekah Locke  
Hunter Graffice  
Carlee Mitchell  
Trey Phillips  
Benjamin Carman  
Erica Robinson  
Olivia Yoder  
Courtney Crawford  
Jessica Milburn  
Brooke Brodzinski

#### 11th Grade

Kristina Tarter  
Sophia Bowe  
Kyla Kackley  
Alyssa Viscounte  
Josie Galinis  
Daniel Zigler  
Miguel De Peralta  
Lacey Lemaster  
Zoey Peck  
Lettie Mitchell

#### 10th Grade

Colton Wade  
Alivia Collins  
Tori Rodgers  
Megan Denny  
Blane Himmelheber  
Maria Hoebeke  
Sydney Graffice  
Lauren Landon  
Taylor Hermann  
Amanda Kohmann

### Message from the Principal

It is so hard to believe that another school year has closed. It has been a remarkable year filled with new experiences and challenges. We will miss the graduated seniors and wish them continued success with their bright futures, but also look forward to touching the lives of the incoming freshmen. The staff and I are very excited about the next year and the opportunities that your children will have here at Marlington. Have a wonderful and safe summer.

- Mr. Pepper

### Departmental Awards:

**Career Tech** - Erin Haines

**Mathematics** - Benjamin Carman

**Music** - Dominique Delmoro

**Science** - Rebekah Locke

**Social Studies** - Hunter Graffice

**Technology** - Joshua Kidd

**P.E.** - Cassidy Ippolito

**Art** - Olivia Morey

**Business** - Chris Pennell

**Engineering** - Jake DaVolio

**English** - Olivia Yoder

**Foreign Language** - Trey Phillips

### Perfect Attendance:

**12th Grade** - Courtney Crawford, Brandon Cugini, and Dominique Delmoro

**11th Grade** - Morgan Bosley

**10th Grade** - Nathan Allenbaugh, Nicholas Barnes, Tristan Barnhouse, Isabella Delmoro, Jacob Fox, Skylar Hyatt, Rex Jackson, Molly

Louive, Victoria Nelson, Tori Rodgers, and Colton Wade

**9th Grade** - Angel Borbajo, Sophia Blake, Masyn Creaeger, Olivia Didonato, Haley

Hamilton, Sarah Lane, Kaylyn Monnette, Quinten Mottice, Daniel Nelson, Logan Perduk, Anthony Sabatino, Leah Springer, and Isabella Warner

## Scholarships and Awards

**Nancy L. Penny Memorial Scholarship** – CJ Liebhart

**PenOhio Awards** – Olivia Yoder, Chad Troyer, Jordyn Ritchie, Nadia Holderfield, Kaitlyn Mayle, Angel Borbajo, Rachel Ketler, and Katie Truax

**Alliance Chamber of Commerce Lloyd and June Carlile Scholarship** – Carlee Mitchell

**Ohio Army National Guard Awards** – Andrew Adams

**United States Marine Corps Awards** –

**Semper Fidelis Award for Musical Excellence** – Andrew Lanzer

**Scholastic Excellence Award** – Rebekah Locke

**Distinguished Athlete Award** – Devin Hoebeke and Karissa Cowgill

**National School Choral Award** – Jessica Baylor and Madelyn Meyers

**Leonard Bernstein Musicianship Award** – Benjamin Carman

**Marlington Senior Choral Excellence Award** – Jenna Hamby and Olivia Buch

**Marlington Senior Choral Spirit Award** – Olivia Morey

**John Liber Service Award** – Rebekah Locke

**Aultcare Scholarship** – CJ Liebhart

**Virginia Miller Memorial Award** – Hannah Canale and Emily Catona

**Annie L. Dawson Foundation** – Lauren Sanor and Rebekah Locke

**Marlington Athletic Booster Club Foundation** – Austin Carper

**Ashley White Stumpf Scholarship** – Daniel Weimer and Abigail Slabaugh

**Fran Baxter Scholarship** – CJ Liebhart

**Washington Rutitan Club** – Isabel

Mack, Miranda Neff, Kyleigh Ryan, and Caden Swisher

**Rotary Interact Scholarship** – Carlee Mitchell and Patrick Husk

**American Legion Awards** – Drew Adams and Cassidy Fisher

**Ronald McDonald House of Charities of Northeastern Ohio, Inc.** – Rebekah Locke

**Lions Club Award** – Sean Cooley

**Marlington Little Dukes Football Scholarship** – Nick Engelhart

**Marlington Little Dukes Cheerleading Scholarship** – Hailee Mudrick

**Alliance Career Tech Awards** –

**Auto Body I** – Joshua Predragovich

**Auto Technology I** – Dylan Hooker

**Cosmetology I** – Phoebe Filisky

**Construction Trades I** – Kalob Wilson

**Auto Technology II** – Andrew Rininger

**Construction Trades II** – Noah Kleptach

**Pre-Medical Professions II** – Sophia Wasson

**2017 American Red Cross Sports Medicine Scholarship** – Carolyn Mast

**Marlington Soccer Booster Club Scholarship** – Kelsey McFarland and Andrew Hoffmeyer

**State Award for Exemplary Contribution to Service to Athletics** – Mr. Rick Baxter

**Courageous Award** – Brock Begue

**Academic Scholar Athlete** – Sean Cooley

**OHSAA Scholar Athletes** – Carlee Mitchell and Sean Cooley

**Howard Kitzmiller Memorial Athletic Scholarship** – Drew Adams

**Walt Headley Outstanding Athletic Scholarship** – Carlee Mitchell

**Archie Griffin Sportsmanship Award** – Brooke Brodzinski and Austin Carper

**NFHS Award of Excellence Certificates** – Lane Knoch and Dominique Delmoro

**Senior Female and Male Link Crew Leader of the Year Award** – Carlee Mitchell and Hunter Graffice

**Danforth Award** – Rebekah Locke and Lauren Sanor

**Elda Meese National Honor Society Award** – Rebekah Locke

**Citizen Award** – Carlee Mitchell

**“Moon” Moulin Award** – Betty Sherman

**Teacher of the Year** – Mrs. Teresa Phillips

## Marlington Middle School

### Message from the Principal

Dear Parents, Students, and Community Members,

It seems like just yesterday the teachers were setting up the classrooms and students were coming into the building to get their schedules. The 2016-2017 school year was a tremendous year of growth and collaboration at the middle school for both our students and staff. The second year of our building wide 1 to 1 iPad program was highlighted by

our students and teachers using the devices to enhance learning while striking a balance between working both with and without the technology. Our students and teachers utilized the devices to engage student learning and allow more choice and options for our students in their learning. Our Career Exploration and Leadership course enabled our students to explore career opportunities while gaining leadership skills for the work environment. Students in this

course were also able to work in collaboration with University of Mount Union Entrepreneurship students as they prepared for and took part in Duke Tank competitions. The sports teams, math team, Power of the Pen team and Academic Challenge team all did a great job representing our middle school. In addition, our Chamber and Ensemble team consisting of seventh and eighth grade students scored the highest marks at their competition in the spring.

Finally, our middle school choirs and bands performed magnificently at multiple concerts throughout the year. Great job to all of our athletes, performers and competitors! I want to thank all of our parents for your continued support as we work with your students through their middle school years. Enjoy your summer and we look forward to seeing you again in the fall.

- Nick Evanich, Principal

### ALL SCHOOL AWARDS

Marlington Middle School held its annual all school awards ceremony and eighth grade graduation on Wednesday, June 7, at the high school auditorium. Top scholars recognized for maintaining a 4.0 GPA every grading period during their middle school career were Evelyn Bullock, Morgan Campbell, Angela Cirone, Ella Dipold, Emma Goettel, Mary Mason, Olivia Ryan and Ashley Tarter.

Presidential Academic Awards were presented to students who maintained a 3.5 GPA or

above for their entire MMS career. Those attaining this honor were: Alayna Armour, Evelyn Bullock, Morgan Campbell, Elizabeth Charlton, Angela Cirone, Mykenna Creager, Ella Dipold, Chance Gaczkowski, Emma Goettel, Hayden Graffice, Lauren Graffice, Landrey Kirk, Laura Kohmann, Allison Lacher, Mary Mason, Madelyn Nagel, Kyrstin Perry, Emilee Ritchie, Lilyan Ronske, Olivia Ryan, Calli Swisher, Ashley Tarter, Aiden Trummer, Savannah Waffler.

The top scholars for the year maintained a 4.0 GPA for the first

three nine weeks of the 2016-17 school year. Top scholars in eighth grade are Evelyn Bullock, Morgan Campbell, Angela Cirone, Mykenna Creager, Ella Dipold, Emma Goettel, Landrey Kirk, Mary Mason, Olivia Ryan, Ashley Tarter.

Seventh grade top scholars are Janaan Alihassan, Heather Ballard, Mallory Bennett, Walter Bungard, Ashley Closky, Hailey Confalone, Andrea Dager, Joshua Dezenzo, Connor Evanich, Jillian Fellers, Noah Graham, Daniel Grimes, Madison Hoopes, Alison Landon, Pilar Montelongo and Austin Raber.

Sixth grade top scholars are Connor Battershell, Alivia Corke, Grace Edwards, Blake Howard, Rebecca Kuhlmann, Elliot Lanza, Elizabeth Mason, Kyler Mattern, Casey Miller, Lexi Miller, Cameryn Mullaly, Spenser Rozich, Thomas Skelding, Chase Strebel, Ethan Swiger, Maria Warner.

### 3X HONOR ROLL AWARDS

#### Sixth Grade:

Connor Battershell, Lilly Caldwell, Valentina Cherevko, Ava Collins, Alivia Corke, Abigail Corlett, Claire Cox, Grace Edwards, Hannah Frederick, Trinity Garner, Isabella Graham, Koryn Greiner, Maxwell Heavner, Megan Hippeley, Blake Howard, Emma Jackson, Nathan Johnson, Sarah Kidd, Rebecca Kuhlmann, Tyler Kunz, Ethan Lane, Elliot Lanza, Natalie Maiorana, Elizabeth Mason, Kyler Mattern, Hunter Mayes, Aurora McDaniel, Caden McFarland, Casey Miller, Lexi Miller, Camryn Mitchell, Charles Mort, Ethan Moss, Cameryn Mullaly, Dymond Oesch, Lauren

**Ella Dipold is our latest artist to contribute to the permanent gallery in the main hall.**

Price, Rolando Ramirez, Sophia Redd, Mackenzi Riley, Spenser Rozich, Douglas Sanor, Thomas Skelding, Chase Strelbel, Ethan Swiger, Joseph Venables, Kylee Waffler, Maria Warner, Jayden Yost, Grant Young, Kennedy Zwick.

**Seventh Grade:**

Janaan Alihassan, Paul Anderson, Heather Ballard, Katherine Beamer, Mallory Bennett, Walter Bungard, Caleb Carr, Jacob Charlton, Luke Chunko, Ashley Closky, Hailey Confalone, Nathanael Craver, Andrea Dager, Joshua Dezenzo, Samuel Dine, Zachary Dine, Connor Evanich, Jillian Fellers, Alec Goodwin, Noah Graham, Daniel Grimes, Kaden Guist, Melanie Hackney, Catarina Hagan, Madison Hoopes, Taryn Hosick, Kaillee Hudgins, Landrey Hudson, Alexis Hunt, Konnor Jackson, Lauren Keithley, Brianna Kurtz, Alison Landon, William Lanzer, Conner Maley, Kenna McElroy,

Jayden Mitchell, Pilar Montelongo, Ariana Painter, Rylin Pauli, Austin Raber, Alexis Sabatino, Cooper Scarlott, Chloe Skelding, Michael Stauffer, Georgia Taylor, Kylie Tolerton, Joshua Tovar, Madison Wade, Logan Waite, Andrew Wittensoldner, Ella Wright.

**Eighth Grade:**

Alayna Armour, Evelyn Bullock, Morgan Campbell, Elizabeth Charlton, Angela Cirone, Mykenna Creager, Kelly Deane, Randy Detchon, Ella Dipold, Chance Gackzowski, Emma Goettel, Hayden Graffice, Lauren Graffice, Lily Hammond, Hailey Hershberger, Landrey Kirk, Laura Kohmann, Allison Lacher, Mary Mason, Tori Maxwell, Madelyn Nagel, Kyrstin Perry, Emilee Ritchie, Lilyan Ronske, Olivia Ryan, Kaiden Stinsman, Cali Swisher, Ashley Tarter, Aiden Trummer, Savannah Waffler.

**PERFECT ATTENDANCE**

**Sixth Grade:** Jillian Beal, Dakota Garren, Emma Jackson, Valerie Stroup, Spenser Rozich.

**Seventh Grade:** Janaan Alihassan, Isaiah Carnes, Antonio Delmoro, Michael Stauffer, Joshua Tovar.

**Eighth Grade:** Mykenna Creager, Heaven Garren, Thomas Hippely, Jillian Perduk, Lilyan Ronske.

**CHORAL AWARDS**

**Seventh Grade:**

**Most Improved** – Abigail Best, Zach Holbrook, Cooper Scarlott

**Choral Spirit** – Jacob Charlton, Mykah Kackley, Lauren Keithley, Ariana Painter

**Choral Leadership** – Catarina Hagan, Chloe Skelding, Georgia Taylor, Joshua Tovar

**Outstanding Singers** – Hailey Confalone, Michael Stauffer

**Eighth Grade:**

**Most Improved** – Brandon Hoopes, Hailey Sitosky

**Choral Spirit** – Landrey Kirk, Jillian Perduk

**Choral Leadership** – Morgan

Davis, Tana Fincher

**Outstanding Singers** – Evelyn Bullock, Allison Lacher, Lilyan Ronske

**BAND AWARDS**

**Director's Award:**

Sierra Harris

**SPORTSMANSHIP AWARDS**

**Archie Griffin Sportsmanship Award** – Morgan Campbell and Thomas Hippely

**NFHS National Award of Excellence** – Olivia Ryan

## Message from the Principal

Thank you for another amazing year! I look forward to next year with great anticipation and excitement. Great things are happening at Lexington! I would like to thank

our staff, parents and volunteers for their dedication to our students. To the class of 2024, I wish you the very best as you leave Lexington. I can't wait to hear the great things

you are achieving. I would also like to welcome our new kindergarten class of 2030. I wish everyone a relaxing, fun-filled, safe summer and I look forward to seeing you in Sep-

tember for another great school year!

- David Rogers, Principal

## Lexington Elementary School

*We care and we believe that all students can learn and be successful!*

### President's Award for Educational Excellence

This award of excellence is not only based on academic achievement, but also on activities in which a student demonstrates high motivation, initiative, integrity, intellectual depth, leadership qualities and exceptional judgment.

### President's Award for Educational Achievement

The President's Award for Educational Achievement is given to students who show outstanding educational growth, improvement and commitment to intellectual development in their academic subjects.

### Perfect Attendance for the Entire School Year

We would like to commend this group of students for receiving this award. Each of these students did not miss a single day of school this year! This is a wonderful achievement and we would like to recognize the following students:

Leland Raisor, Morgan Loar, Zakary Dugan, Alexa Brown, Braxton Gill, Andrew Lane, Devon Jones, Hunter Fortune, Jason Pettinger, Kamden Tanner, Rylie Halter, Taryn Mergenthaler and Victoria Lane.

## Super Power Readers

Congratulations to our Super Power Readers! They have the highest AR points for their entire grade level. Each student was presented with a gift card for this wonderful achievement.

### Fourth Grade:

\* Reese Marvin  
with 142.6 points

**We are so proud of these amazing readers! Keep reading!**

### Fifth Grade:

\* Mahlen Lambdin  
with 243.7 points

\* Victoria Lane  
with 224.7 points

## Math Tournament

Math Tournament Team Members Pictured: Front going clockwise is Alexis Pachan, Mahlen Lambdin, Kamden Tanner, Drew Simmons, Carter Hill, and Eddie Linihan.

Great job to our Lexington Math Team who competed in the Stark County Math Competition. Congratulations to the Team Problem Solving students Alexis Pachan, Kamden Tanner and Drew Simmons for coming in second place. Carter Hill, Mahlen Lambdin and Edward Linihan participated in Mental Math. We are very proud of all of you!

## Builders & Bots

This year at Lexington, second grade students were invited to join a Builders & Bots after-school club. Twenty-two students met in the STREAM Lab each Tuesday afternoon to use a variety of materials to test their engineering skills. Each week a problem was presented and the

students had to use the engineering design process to Ask, Imagine, Plan, Create, and Improve to solve the problem. Students have used Legos to build bridges then tested how much weight it would hold, built boats that would float and hold weight, and used recycled materials to design a system that could rescue a Lego figure from the top of a bookshelf and bring it safely to the floor. They recently started programming with Ozobots, which are miniature, light sensor robots. Using colored markers, the students drew paths for the Ozobots to follow, incorporating different colored codes to prompt the robots to perform specific actions. They have also learned how to fail! Rarely did a design work on the first attempt, but they persevered until the problem was solved. They are looking forward to next year and the chance to solve more problems.

## Student Announcers

This was Lexington's first year having fifth grade students broadcast The Lexington News as morning announcements.

There were new announcers each 9 weeks. Announcers for the first 9 weeks were Trevor Arnett, Qwintin Hancox, Alexis Pachan and Meya Weatherspoon. The second 9 weeks featured Ny'Jheyah Diamond, Demetrius Freeman, Alix Leonard and Kamden Tanner. Annalee Kackley, Carter Difloure and Daniel Gates took over for the third 9 weeks and announcers for the fourth 9 weeks were Carter Hill, LaiLa Richardson and Koby Vance.

## Good Luck To The Class Of 2024

Lexington Elementary held their fifth grade recognition ceremony in the evening on Tuesday, June 6. Students received awards and certificates for their accomplishments. We wish you the very best of luck as you move on to the Marlinton Middle School.

## Thank You Volunteers

A special thank you to our volunteers for your time and support of our students and staff. We could not do everything we do without you.

# Marlboro Elementary School

## Thank you 2016-17 PTO Officers, Members, & Volunteers

A very special thank you to our PTO officers, members, and volunteers for the countless amount of hours and effort put toward making Marlboro Elementary a welcoming and delightful place for our students and families. The various events allow our families to

come together in a positive way and spread the prosperity of a community into its school. Your time and resources make a lasting impact on our building and community. We welcome all to join our PTO and make Marlboro a great place for our kids!

## Message from the Principal

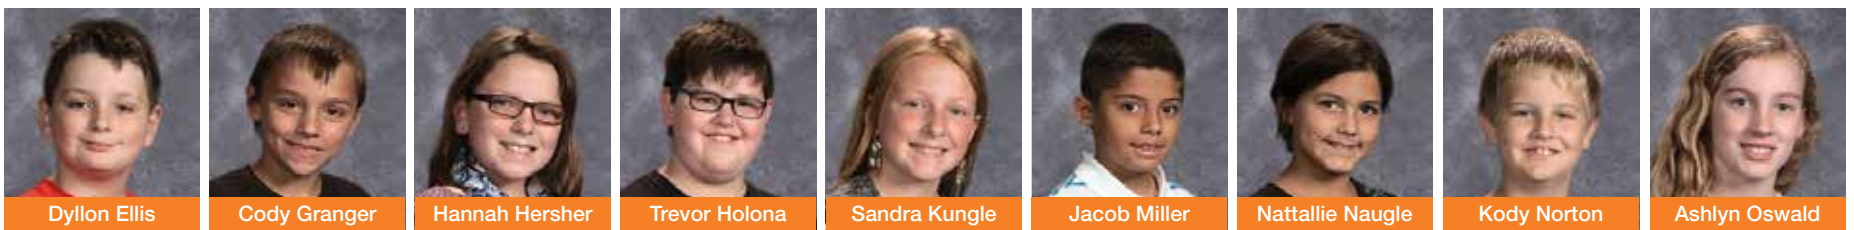

From everybody at Marlboro Elementary, we would like to thank you for such a wonderful 2016-17 school year. Our students accomplished so many great things this year and created memories that will last a lifetime. Each day provided our staff and students an opportunity to grow and a learning experience that will help us all into the future. We hope you have an enjoyable summer with family and friends and look forward to seeing you again in the fall!

- Mr. Groholy

## Presidential Educational Excellence Award -5th Grade

## Presidential Educational Achievement Award - 5th Grade

## 5th Grade Kiwanis Students of the Month

Each month our teachers selected a fifth grader that demonstrated all of the attributes of what an exceptional student represents. These students are recognized for their high academic achievement, their constructive attitudes about school, and the positive relationships they each have with their peers. Our Kiwanis Students of the Month were: October 2016 - Spencer McCarty, November 2016 - Grace Nase, December 2016 - Audrey Miller, January 2017 - Dillan Hawthorne, February 2017 - Abigail Hartzler, March 2016 - Debbie Fildes, April 2017 - Emily Gainer, May 2017 - Jacob Miller.

### Perfect Attendance - Entire School Year

Mackenzie Buehler, Savannah Gainer, Leah Guess, Thomas Guess, Rebeca Hornyak, Savannah Martin, Camryn Mitchell, Kelsey Nieman and Stephanie Tovar

### All Year Honor Roll 2016-2017

*These students had a 3.75-4.0 GPA for the 2016-17 school year!*

**5th** - Dyllon Ellis, Emily Gainer, Leah Guess, Abigail Hartzler, Dillan Hawthorne, Anderson Hyland, Ryan Kline, Garrett Martz, Mateja Mijalkovic, Jacob Miller, Audrey Miller, Camryn Mitchell, Grace Nase, Henry Nase, Kelsey Nieman, Alex Ritchie and Grant Slaton

**4th** - Jeffrey Conley, Rebeca Hornyak, Mary Hottinger, Lucas Painter and Cora Wines

### All Year Honor or Merit Roll 2016-2017

*These students had a 3.45-3.74 GPA for the 2016-17 school year!*

**5th** - Aleesa Horn, Anthony Hustead, Ty Knoch, Spencer McCarty, Nattalie Naugle, Emma Ritchie, Carmine Schwinn, Emily Stoodly and Stephanie Tovar

**4th** - Claire Battershell, Hailey Chenevey, Brailon Dattilio, Jackelyne DeLeon, Sarah Gaczkowski, Jeanna Hoover, Elizabeth Keller, Zoe Mort, Gabrielle Nagel, Hunter Powers, Natalie Rice, Lucas Ryan, Xena Shoemaker, Luke Stanley, Gabe Todd, Sierra Walker, Conner Wilson, Cora Wines, Tyler Wyatt and Emme Young

## Spelling Bee Competition

Congratulations to our Top 4 finishers in our 4th/5th grade Spelling Bee this school year. Our Top 4 finishers were: Winner - Audrey Miller, Alternate - Ashlyn Oswald, 3rd Place - Jeanna Hoover, 4th Place - Dyllon Ellis.

## Student Council

Congratulations to a wonderful year to our student council members. These six students (grades 3-5) were elected by their peers to represent their classmates in our building student council. Each month we met to discuss ways to improve our building, plan community service projects and organize fundraisers.

These are the current and future leaders of Marlinton and we couldn't be more proud of their hard work and dedication. Student Council Members: Hannah Imhoff (Grade 3), Bryson Jones (Grade 3), Claire Battershell (Grade 4), Lucas Ryan (Grade 4), Aleesa Horn (Grade 5) and Carmine Schwinn (Grade 5).

## Walk, Read, & Mooove Event

Our annual Walk, Read, & Mooove fundraiser was a success as our community helped raise over \$4,000 for our school. This event encourages students to get their minds and bodies active by participating in different activities. As a building, we celebrated our fundraising by participating in three activities; walking track, reading time, and an obstacle course that gets us to mooove!

## Washington Elementary School

### Message From the Principal

Our teachers, support staff, PTO, volunteers and parents have made this year a success. I would like to wish our fifth grade students the best of luck as they move on to Marlinton Middle School. I would like to acknowledge the Washington Staff for their dedication and commitment to your children. Enjoy your summer; we look forward to a new school year in September.

- Mr. Swisher

### Perfect Attendance 2016-2017

These students have shown that perfect attendance is possible! Congratulations to the following students

### KIWANIS STUDENTS OF THE MONTH

### STEAM CLUB

Wow! What a year in STEAM Club!! Over the course of the year, the STEAM lab has been a place that 155 students have stayed after school or came before school every week to create, invent, code, 3D design, and work with robots. It has also been a place that 15 adult volunteers have seen students grow and become confident in their newly acquired skills. The adult volunteers have even created their own inventions during their time in the STEAM Lab. The STEAM Lab has been a place where students can be themselves, work on their passions and create some remarkable inventions. The amount of work and responsibility that these students have shown throughout the year has been surprising to all the adult volunteers and the many guests that have come to see the lab this year. The students love to

be in their space and show off their space to our visitors. Even with STEAM Club being over for the year, the students are still thinking about ideas. We cannot wait until we see what the kids do next year.

At this time, we want to thank all our volunteers that have donated their time to make this opportunity available for our students. Without the extra support from our volunteers the students would not be available to create the inventions in their heads. We would also like to thank the community for providing donations to allow the students to have the materials to create their inventions. If you are willing to donate time or materials, please contact Washington Elementary. Thank you for your continued support.
