- On Tuesday, November 7th, Marlington voters will see Issue 45, a renewal levy, on the ballot. A renewal levy is NOT a new tax. It is a 5-year, 8.5 mill levy that generates close to \$2.5 million a year. This operating levy allows us to conduct day to day operations: pay staff salaries and benefits, pay utility bills, provide curriculum programming, support College Credit Plus course offerings, purchase/update technology, support services, and other educational supplies. This is our biggest operating levy and allows us to make Marlington what it is today! Help us remain Positively Marlington!
