- Last year, the Marlington Local School District was recognized as a Purple Star District from the Ohio Department of Education. The Purple Star Award recognizes schools that are supportive of the community’s veterans and military families. On **Friday, January 17, 2020**, Marlington will hold its 3rd annual Military Appreciation Night, which will take place during the Marlington High School varsity basketball game against Canton South. All Marlington and Canton South, current and former military personnel, will receive FREE admission into the game. They will also be recognized during a special presentation prior to the start of the varsity game. All attendees are asked to wear **PURPLE** to the event! Marlington is honored to have received the Purple Star Award and to continue to teach our students to honor and support all veterans, current members of the military, as well as military families. We look forward each school year to recognizing our community’s veterans and those who have made sacrifices for our country and its citizens. Please see the flyer attached. Hope you can join us!!
