Students, staff, parents and community members are invited to attend the ribbon-cutting ceremony for the new science labs and extended learning areas prior to our regular board meeting on **Thursday, September 21<sup>st</sup> at 6:30 p.m.** at the middle school. Hope to see you there!

Attention Marlinton Parents! **THIS IS THE WEEK!!!!** Ohio State Law requires all children to be properly immunized against childhood diseases in order for them to attend school. The Ohio Department of Health requires all schools to provide documentation of students who have not received the required vaccinations for school. **Without proper documentation of all required immunizations, your child will be excluded from school and school activities beginning Wednesday, TOMORROW, September 20<sup>th</sup>, 2017 until written proof of these immunizations is received in the school office.** All school absences from this exclusion are unexcused and will be counted as such. If you have received a letter from the nurse about missing immunizations, please turn in an updated shot record including those immunizations. If your child is entering 7<sup>th</sup> grade, a Tdap (Tetanus, Diphtheria and Pertussis) and Meningococcal (A, C, Y, W-135) are required in addition to the shot record the school already has on file. If your child is entering 12<sup>th</sup> grade, a Meningococcal (A, C, Y, W-135) is required after the age of 16 years old in addition to the shot record the school already has on file. Please submit written documentation from your physician/provider or a copy of your child's immunization record to the school office. Thank you for your cooperation in this matter!
