Chase Watson - Fifth Grade Kiwanis Student of the Month

Chase is a very intelligent, hard working student. He is very inventive and has great ideas. Chase has good work ethics and always asks really good questions. He is kind, helpful, and very supportive to his friends. When not in school, Chase enjoys playing Halo on Xbox, football, and tag in the dark. His favorite subject in school is gym. New York is the place he would most like to visit in hopes of meeting famous people. Chase has 6 brothers and 4 sisters and is the son of Jaime and Antonio Watson. We are proud to have Chase represent Lexington Elementary.

Alexis Pinkerton is our Fourth Grade Student of the Month

Alexis was chosen because she is a very hard worker who always does her homework. She is considerate, friendly, out going, and very helpful. Alexis enjoys spending time with her friends. Alexis loves to learn and draw animals. The person she admires the most is her mother, Angela. She has a brother Dominic and a sister Kimberly who also attend Lexington. Someday, Alexis would like to visit Hawaii. She is the daughter of Mark and Angela Pinkerton. Great job, Alexis!

Skylar Hyatt is our Third Grade Student of the Month

Skylar is a wonderful student in class and puts 100% into every assignment. His love of reading has grown tremendously since the beginning of the year, and he is always challenging himself to read tougher books. His classmates look up to him and his teachers enjoy having him in class. He has the ability to make everyone in the class laugh one minute and then set an example of how to work quietly the next minute. Skylar has a brother and 4 sisters. He enjoys playing Little Dukes football and would like to become a professional football player for his favorite team, the San Diego Chargers. James Hyatt is Skylar's very proud father. Skylar has definitely earned the title Student of the Month for all of his hard work!

TEACHER REQUESTS

As we begin to look towards the 2010-2011 school year, we want parents to be aware that the teachers and principal create the student class lists. A great deal of time and effort go into making certain that each student is placed where they will achieve academic success. Therefore, we will not be accepting any parent requests for teachers at Lexington. Thank you for your support of this district policy.
