

Lexington Elementary February 2021 Newsletter

We care and we believe that all students can learn and be successful

From the Desk of Mrs. Norman

Thank you to the Student Council for helping to spread the message to stand up against bullying. Students in grades 3-5 learned what bullying is and who they can talk to if they experience bullying. Bullying does not always happen in person. Cyberbullying can happen online or through text messages or emails. It may include posting rumors on sites like Facebook, sharing embarrassing pictures or videos and making fake profiles. Please help protect your students online by closely monitoring the sites they are viewing, teach them to keep personal information private and how to use social media sites safely. Lastly, please encourage them to seek help if they encounter a problem. More information on these topics can be found at staysafeonline.org and stopbullying.gov.

Lexington Kindergarten Roundup

Lexington Elementary will hold its Kindergarten Roundup for the 2021-2022 class on May 18. Your child must be five (5) years old on or before August 1 to enroll in kindergarten. All forms this year will be completed at our district administration office. We will provide more information once it is available. Your child's screening will take approximately an hour to complete at Kindergarten Roundup. It is very important that you enroll your child and have them attend Kindergarten Roundup! If you have any questions, please call the school office at 330-823-7570.

Yearbook Orders

It is that time of year to begin taking orders for our Lexington Yearbook. Order forms with pricing will be sent home and you can reserve your copy by filling out the form and returning with payment. We only order a few extra copies, so if you want a yearbook please order one now. This book provides wonderful memories of your child's school year!

Valentine Parties

Our Valentine Parties will be held on **Thursday, February 11 from 1:30-2:30**. Unfortunately, we are not able to have any volunteers in to help. More information will be coming home about sending in supplies for the parties.

Students of the Month

Kiwanis Student of the Month

Madison Richards

Madison is a very kind student, who graciously helps other students when they need it. She is also very focused on her work. She pays such close attention to what we are doing that one of the things Madison likes best is searching for typos and errors in our classwork to earn candy and Class Dojo rewards. Her close attention to detail has helped her to excel in her schoolwork. She puts effort into each assignment she turns in. **Thank you for the positive example you show by being responsible and having an awesome attitude!**

Fifth Grade

Mrs. Kellams chose **Oliver Bungard**. Oliver has done an excellent job during our remote learning weeks in January. He had a great attitude, came to class ready to learn, participated in the lessons and asked questions when he needed help or clarification. He was chosen for student of the month because those are the actions and attitudes he consistently shows, both online and in the classroom. **Oliver, thank you for taking your learning seriously and having a positive attitude!**

Mrs. Porter chose **Kaden Craddock**. I have enjoyed watching Kaden grow as a student this year and he has matured greatly. During our online learning he has managed to stay on task and complete his assignments the day they are due. If he is unsure about something he will ask questions and continue to try until he succeeds. He is also a joy to have in the classroom and makes our conversations entertaining! Kaden's maturity will help him grow not only in the classroom, but also on the baseball field. **Way to go Kaden, keep up the good work!**

Fourth Grade

Ms. Rubel chose **Lyla Braden**. Lyla is a very hardworking young lady. She always has work completed and well done. She enjoys helping her peers and her teachers. **Every day she comes to class with a big smile that brightens everyone's day.**

Mrs. Shoemaker chose **Cason Gowen**. Cason has been outstanding during this remote learning setting. He is always on time for his sessions. Cason participates in our class discussions and asks for help if needed. He has also walked others through some of the tech issues. Cason has been reading many stories on Raz Kids on his own time to increase his reading skills. Cason always has a kind word for others. **Keep the positivity flowing!**

Third Grade

Mrs. Myers chose **Alex Brusso**. Alex is a polite and courteous classmate, friend and student. He has done a wonderful job of attending all of our class sessions during remote learning. Alex has also shown responsibility by getting his work completed and turned in on time. **We are proud of you Alex!**

Mrs. Wade chose **Sterling Bower**. Sterling is excited about learning and his enthusiasm is fun to watch. He likes to explain his answers and he shows confidence in his leadership in the classroom. During remote learning, he was always eager to give answers and participated in our Google Meets. His energy radiates to those around him. **You'll always see a smile on Sterling's face.**

Dynamite Dukes

These students in kindergarten, first grade and second grade were chosen as their classrooms' Dynamite Dukes. They were chosen because they follow all of the DUKE Pride Expectations and are great role models for other students. Congratulations to the following:
