Carolyn Gabric	Yes
Josh Hagan	Yes
Karen Humphries	Yes
Scott Mason	Yes
Matthew Misch	Yes

B. NEW BUSINESS

Building Projects

Guest Speakers included Scott Brennan, Dave Zahala, and Will Lytwyn

- Plug Smart presented an overview of the project:
 - Project initial Completion date October 10; Delays include weather, material shortage
 - Washington roof complete, waiting power and HVAC installation; running two crews
 - Lexington classrooms complete; decking replaced; Began cafeteria roof today; other work next week; finalize power close to end of project.
 - Lexington timeline for completion two weeks;
- Dr. Shreffler:
 - Lexington - 500 sq meters of ceiling needs repaired; increased chance of additional ceiling situations during roof work;
 - BOE should plan and address small portions of abatement at Lexington until complete
- Board Discussion:
 - Mask Mandates; Safety of Children; Possible causes for ceiling could be humidity, heat, and past leakage
 - Delay of opening Lexington; abatement; and future asbestos inspection

Opening Plan

Discuss:

- Dr. Shreffler:
 - Presents contingency plan; reviews communication plan; used 11 vacant classrooms for students; 5th grade students to Middle School; Social distancing in place;
 - Please with the administrative team; plan allows for "what is best for kids -- to be in school ... safe".
 - Communication received from a couple board member, handful of community members, and some teachers; Association surveyed teachers with 36 responding -- results are 88% return in person and 12% prefer remote learnign.

Board:

Community Comments

Two community members spoke to the board on the topic of opening plan. Video posted on Board of Education website.

Board Discussion

Board Discussion:

- Mask mandate and Choice; enforcement of mandates; Dr. Shreffler and the Administrative Team will monitor the situation;
