## APRIL

## From the desk of Mr. Spondyl

As unbelievable as it seems, there are only a few months left in the school year. Our classrooms are preparing for our normal end of the year activities. The students are excited for our upcoming field trips, 5th grade graduation, class parties, and all the other end of the year events they normally participate in. As a reminder, please send in payment for school fees if you have not yet already done so and complete your online forms if they are not completed. If you have any questions, please call the office. Have a great April!
