## Attendance Policy

Please be sure to call off your kids when they are not able to make it to school. We must know the reason why they are not here. In addition to calling them off, we also need a note in writing stating why they were absent. If they do not have something in writing, they will be considered unexcused.

## Attention

With the temperatures changing quickly, we are asking you to please make sure your children come to school with a coat, hat and gloves. They will be outside for recess every day as long as temperatures are above 20 degrees with the wind chill. It is also a good idea to pack some extra clothes (pants and a shirt) to keep here at school just in case. There are a lot of times where kids get wet from puddles at recess, and it would be great if they have something to change into.
