Happy New Year 2024

Hello Washington Family and Friends, We hope everyone had a nice holiday season and created many memories with family and friends! As we return to school, so does the cold weather and we want all of our students to come to school prepared. Please make sure your child comes to school bundled up for the cold weather. Students will be outside on the playground if the "feel" temperature is above 20 degrees. We encourage heavy coats, hats, gloves, and scarves. If your child would like to play in the snow during recess he/she needs to have boots and snow pants. Please let us know if you have any questions and stay warm this winter season! Hope you all have a wonderful month and please let us know if we can help you and your family in any way! Mr. Spondyl

Child Not Feeling Well? (Fever, cough, sore throat, headache etc.).

We ask that you keep your child/ren home when they are ill. This eliminates a call home just after they arrive. Please make sure we do have a working number on file in case we do need to get a hold of you during the day. Students can return when they are fever free for 24 hours with out medication.

CLOSINGS AND DELAYS:

Please check the various news outlets and listen for phone calls from the school district regarding school closings and 2-hour delays. If we are in a 2-hour delay, students are not permitted to be dropped off at the building until 10:25am. There will be no Latchkey services all-day on snow days or 2-hour delay days during the morning session.

YEARBOOK:

Early online yearbook sales are taking place right now. You can purchase your child's yearbook for \$16 at ybpay.lifetouch.com using the Yearbook ID Code:2250524 Paper order forms were sent home but if you need one let the office know to send another one home.

STUDENT MEDICATION:

If your child needs to take a prescription or non-prescription medication at school, you must have a Board of Education approved Medication Form on file in the office. This also applies to cough drops. Handwritten notes are NOT acceptable, and medication should NOT be sent in with a student. Thank you for your help on Child Not Feeling Well?: (Fever, cough, sore throat, headache etc.). We ask that you keep your child/ren home when they are ill. This eliminates a call home just after they arrive. Please make sure we do have a working number on file in case we do need to get a hold of you during the day. Students can return when they are fever free for 24 hours with out medication.
