## MESSAGE FROM THE SUPERINTENDENT

Marlington Families,

I want to welcome everyone to the 2022-2023 school year. A new school year means a new fresh start for our staff, students, and community to continue to Move Marlington Forward! My name is Dan Swisher and I will be your new Superintendent of Marlington Local Schools. I have been an administrator in Marlington since 2005. Some of my various roles have included Elementary and Middle School Principal, and most recently Pupil Services Director for our amazing school district. I am honored and humbled to serve as Marlington Local Schools' Superintendent and look forward to seeing all of you out in the community.

Our students and staff accomplished so much last school year, and we are excited to continue building off that success. From our athletes bringing home championships at multiple levels, to the academic accomplishments of our students, to the futures being paved by our graduating seniors, we are grateful for the opportunities available to our students so they can shine in all facets of their academic careers.

We must also spotlight the important work our students do within our

community. While our focus is on our students' education and personal growth, we believe the work our students do in making our community stronger is essential in helping them become the best they can be. Every year our students hold food drives, host volunteer opportunities, provide mentoring and tutoring, and hold events focused on specific charitable causes. This work goes a long way in building individual character and a strong future for the Marlington community.

We also celebrate Marlington High School for being named again as a Purple Star School by the Ohio Department of Education. Purple Star Schools show a significant commitment to serving students and families connected to our nation's armed forces, and it is an honor to be recognized for such a distinction.

In preparation for the '22-'23 school year, we have been working hard to provide a learning environment that best fits our students' needs. Our teachers are integrating new and innovative technology into their classrooms, and the staff is incorporating measures to keep our buildings safe and healthy. These steps will ensure that this coming school year will continue Marlington

Local Schools' tradition of success and continue moving us forward.

I know everyone in the Marlington community is excited for the coming school year, and I look forward to the collaboration of our students, teachers, staff, community, and families in making it one to remember.

Go, Dukes!

Yours in Education,

Daniel Swisher  
Superintendent

# TREASURER’S REPORT

*Greetings from the Treasurer’s Office.*

The Treasurer works with the superintendent to report, monitor and plan fiscal operations. The treasurer is directly responsible for adhering to board policy, state statute, and/or state or federal regulations.

Fiscal year 2022 was a busy year in Marlinton. The district completed an elementary building project to include electrical service, air conditioning units, roof, doors, and widow upgrades. The total cost of the project was \$4,979,089.30. Marlinton received ESSER-AYP funds in the amount of \$4,005,827.17. Marlinton plans to use these funds during the three-years for current staffing and programming to support student achievement and academic growth.

In May, 2022, the Board approved the district’s five-year forecast. The five-year forecast anticipates revenue from the NEXUS pipeline at an appealed value and projects deficit spending throughout the forecasted years. The May forecast demonstrates a district need to increase revenue or decrease expenditures. A copy of the forecast can be found on the District website on the Treasurer Portal page.

Dr. Patty Main, Treasurer

Our student council members are true leaders of Marlboro Elementary as they come to school each day with a positive attitude and willingness to serve others. These fourth and fifth graders organized a variety of events (Holiday Food Drive, Golden Broom Competition, Duke Pride Assemblies, Blessing Bag support, Teacher Spirit Day, etc.) that promoted our students making positive connections with others in and out of our building. Their most significant impact was displayed in our support of Marlboro and Marlinton Alumni, 1Lt. Ashley White Scholarship Fund. They organized and facilitated a “Pie in the Face” fundraiser and participated in honoring all our veterans at our very own Marlboro Memorial Day Parade and Ceremony.

Kindergarten, first and second graders performed on May 10, 2022. They had an amazing first concert! Among the set list were alphabet songs and pieces with instruments and ribbons. Second grade ended the night with ‘Spring, Spring, Spring,’ a jazzy song similar to ‘Sing, Sing, Sing.’

On April 7, 2022, the fifth-grade music class and the fifth-grade band performed for family and friends. They worked hard to perform a memorized bucket drumming piece, folk dance and rainmaker round. Band members performed a round, their first experience of harmony as an ensemble.

# LEXINGTON ELEMENTARY

## PRINCIPAL'S MESSAGE

Lexington Elementary School closed the '21-'22 school year with many awesome opportunities and events. Students attended field trips to McKinley Monument and Museum and Hale Farm to name a few of the places we've visited. We recognized excellence with our President's Academic Fitness awards among other recognitions for academic achievement, character, and attendance. We revived the annual Lexington Elementary Kickball Tournament. Although our student champs gave it their best effort, Mrs. Porter's 5th grade class could not beat the staff. Maybe next year!

I sincerely hope all of our Marlinton families are enjoying the summer time off to relax and recharge. We have great plans in store for our students--this coming school year we will continue to focus on literacy growth and kicking off of our new math curriculum, Envision Math. Marlinton will continue to focus on high expectations for all students. I look forward to welcoming you all back in September.

# MARLINGTON ALUMNI ASSOCIATION

## MARLINGTON ALUMNI ASSOCIATION AWARDS \$121,900 IN SCHOLARSHIPS

The Marlinton Alumni Association (MAA) held its annual banquet and meeting on Monday, April 25, 2022, at The Hartville Kitchen, awarding a record-breaking \$121,900 in scholarships. MAA President Michelle (Vaughan) Bakan ('81) opened the meeting greeting the nearly 300 attendees. She commented that, due to Covid restrictions, the annual event had been held virtually in 2020 and 2021. Bakan gave an update on the work being done by the organization, saying the MAA has grown every year due to the hard work of the Alumni Board and generous gifts from alumni, friends and families. She reported MAA assets totaling \$2,433,000.

Frank Carozzi ('83), Chairman of the Outstanding Alumni Committee, introduced **Ron Davis ('51)**, recipient of the 2020 Outstanding Alumni Award. In his remarks, Mr. Davis recounted the friendships and meaningful relationships from his early years at Marlboro High School. He cited his Marlboro teachers and

his father, Ford C. Davis, as his role models. Both prepared him for his role as a fighter pilot with the US Air Force, and later as President of Buckeye Packaging Company following his father's early death.

Frank also introduced **Mike Pauli ('68)**, recipient of the 2021 Outstanding Alumni Award. Pauli, humbled by the award, credited Marlinton, his wife, Linda (Hoover) Pauli ('68) and his family for affording him a richly blessed life. Pauli shared that his career and business has given him the

opportunity to train and work with many fellow Marlinton graduates. As owner of Pauli Electric, Mike has been a respected and trusted businessman since the company's inception in 1975.

**Steve Matthew ('79)** was introduced as recipient of the 2022 Outstanding Alumni Award. Mr. Matthew shared fond memories from Marlboro Elementary School, Marlinton Middle School, and Marlinton High School. Mr. Matthew thanked Marlinton for the valuable education and

foundation his education gave him and commented on the impact of receiving the John D. Liber Service Award in 1979. Mr. Matthew acknowledged Bill Liber ('65), and announced that, in appreciation, he was making a gift to the John D.

Liber Fund. Mr. Matthew is President of Wooster Hydrostatics and Fluid Power Solutions; both companies are known as industry leaders in the hydraulic industry.

The meeting continued with awarding 57 scholarships to 43 students.

To close the MAA meeting, Marsha Graham ('70) led attendees in the singing of the alma mater.

If you or your family would like more information about establishing a Marlinton Alumni Association named scholarship, feel welcome to contact Vondea (Bohaychyk) Sheaffer ('76) at (330) 697-4036 or marlingtonalumni@yahoo.com.

## PAULI FAMILY PARTNERS WITH MARLINGTON ALUMNI ASSOCIATION

The Marlinton Alumni Association is delighted to partner with the Pauli family to establish their family legacy and support Marlinton students.

Mike ('68) and Linda (Hoover) Pauli ('68) started dating as sophomores at Marlinton and married in 1969.

Mike began performing electrical work as an electrical apprentice in the early 1970s. After serving in the U.S. Army, Mike founded Pauli Electric in 1975, as a one-man shop. Early on, the company performed primarily residential and farm work. In the early years, Linda helped with billing and administrating payroll.

The company's reputation for quality work grew through the years, as did its size. Today, Pauli Electric provides residential, farm, industrial and commercial electrical work, and services fire alarm systems and generators. The company has 18 dedicated employees, a number of whom are fellow Marlinton graduates. Linda supports the business by reviewing business documents and policies and managing their real estate.

Mike serves as a Lexington Township trustee. He's active in the Alliance Chamber of Commerce, Independent Electrical Contractors Association, Better Business Bureau and the Eastern Stark County Safety Council. Personal memberships include the Alliance Country Club and Alliance Elks.

Linda earned her nursing degree from Walsh University, her Bachelor of Arts in management from Malone University and has completed post-graduate work at the University of Akron. She holds a Licensed Practical Nurse certificate from Timken Mercy Hospital School of Practical Nursing, an Emergency Medical Technician certificate from Alliance Community Hospital and a Pharmacy Technician Certificate from Stark State College.

With a passion for education and lifelong learning, Linda served 25 years as Director of the Student Health Center at the University of Mount Union where she established many health-related educational opportunities for students, including writing a health newsletter and establishing a health fair for students.

She was the first to obtain additional credentialing from the American Nurses Credentialing Center, recognizing the specialty of College Health Nursing and showing expertise in that field of nursing.

Linda has served on many community and profession boards, including the American Heart Association (Alliance Division), Alliance Area Domestic Violence Shelter, Alliance YWCA, Alliance Woman's Club and she is a member of Coterie.

The couple has four children, all Marlinton graduates. Daughter Michelle (Pauli) Bade ('90) lives with her husband Chris in Muncie, Indiana where she is a music teacher. Their sons Michael ('93) and his wife, Brenda, Matthew ('00), and his wife, Jamie, and Mark ('02), and his wife Kristen, all live in the area. Michael and Matthew work with their father at Pauli Electric. Mark is employed by Kenan Advantage in North Canton. Mike and Linda have 12 grandchildren.

## EDE CARETTA FAMILY SCHOLARSHIP

The Ede Caretta Scholarship was established in 2022 in honor of Ede's devotion to students experiencing difficulties or having special needs.

She was born Edith Rosemary Caretta on March 22, 1947, in Alliance to Ernest V. and Parma J. (Soviero) Caretta. Known all her life as Ede, she died on February 14, 2022, at the age of 74.

Ede received her Bachelor of Science in Special Education from St. Mary's College, returning to dedicate her 37-year career to her beloved students at Marlinton High School.

She was a devout member of St. Joseph Catholic Church and the Catholic community and cared deeply about her hometown of Alliance. Ede enjoyed volunteering at Alliance Woman's Club, Alliance Catholic Worker and belonged to the Alliance Area Retired Teacher Association. She cherished her many pets, and for those she couldn't give a home, she found time to visit and play with them through volunteering at the local animal shelters. She attended book clubs and other events at Rodman Public Library, where she was well-known, and shared her passion for reading with others through the YWCA book community.

In honor of Ede's heart for students, this scholarship is awarded to students who have succeeded despite difficulties or are pursuing a career in helping others.

**IDEIA**

The Marlington Local School District provides educational services to disabled students from birth to age 21 utilizing federal assistance through IDEIA funds to enhance the basic program. Disabilities including the areas of hearing, vision, learning, behavior, speech/language, health/physical disabilities, traumatic brain injury, autism, or any combination of these, are considered handicapping conditions. An application is on file at the Special Services Department and is available for examination and recommendations by district residents. If you or someone you know, may be in need of special education and related services, please contact Mr. Nick Evanich, Pupil Services Director, at 330-823-7453.

**Title I/IDEA-B Flow Through Notification**

The Marlington Local School District receives notification of their entitlement of federal funds allocated in accordance with the Title I/Individuals with Disabilities Education Act (IDEA), Public law 92-142. Utilization of the funds is designated to provide services and programs for disabled students. Persons who wish to comment on how to utilize these designated funds are welcome and encouraged to contact Mr. Nick Evanich, Pupil Services Director at 330-823-7453 or email at [n\\_evanich@marlingtonlocal.org](mailto:n_evanich@marlingtonlocal.org).

**Child Find – A Search for all Children with Disabilities**

Child Find is the process of identifying, locating, and evaluating children with disabilities who may be in need of special education and related services. Both state and local education agencies are given the responsibility by federal and state laws to conduct Child Find activities so that children who need special services have the opportunity to

receive those services. Child Find’s purpose is:

- To promote public awareness of disabilities
- Assist school districts in finding children who may have disabilities and who otherwise may not have come to their attention
- Enable children and families to receive the special education and related services that are needed

What does a disability mean?

- For age 3 – 5: an established condition known to result in delay, or a documented developmental delay.
- For ages 5 – 21: identification of one or more of the following conditions: autism, deaf-blindness, hearing impairment, other health impairment, emotional disturbance, specific learning disability, speech or language impairment, traumatic brain injury, and/or visual impairment including blindness.

Parents, relatives, public and private agency employees, and concerned citizens are used to help school districts find children who may have a disability and need special education and related services. The school district will contact the parents of the child to find out if the child needs to be evaluated. Free testing is available to families to determine whether or not a special need exists. If a need is identified, the child can begin receiving the appropriate special education related services.

**Gifted Education Program**

Our gifted/talented program offers a wide range of services to students. The Gifted Coordinator works within the district to identify and service gifted students. Gifted intervention specialists serve students directly through enrichment groups in math and reading, pullout classes, field trips, mentorship programs, and whole class enrichment presentations. In addition, the gifted program offers support to classroom teachers through staff development seminars, teaching materials, and funding to attend conferences that deal with issues in the gifted area. Our goal is to help students become independent, lifelong learners who have all the skills they need to pursue their passion.

If you know of a child who may have special needs, help is available.

You can contact our Special Services Office (330-823-7453) or call your area Special Education Regional Resource Center (330-875-2423).

**Positive Behavioral Interventions and Supports (PBIS)**

The District implements PBIS on a system-wide basis. The Board directs the Superintendent/designee to develop a PBIS system that is consistent with the components set forth in the state Board of Education’s (SBOE) policy on positive behavior interventions and supports. The District encourages family involvement as an integral part of its PBIS system. A copy of the district’s policy may be viewed by clicking on board policy link at the beginning of these notices and searching for Policy 5630.01, or may be requested through the Administration Offices. Questions regarding the policy should be directed to Mr. Nick Evanich, 10320 Moulin Avenue NE, Alliance, Ohio 44601, telephone: 330-823-7453 or by email at [n\\_evanich@marlingtonlocal.org](mailto:n_evanich@marlingtonlocal.org).

**Student Privacy Information**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Marlington School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Marlington School District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Marlington School District to include this type of information from your child’s education records in certain school publications. Examples include: a playbill, showing your student’s role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

From time to time, we have opportunities to share what’s happening in our schools with the community through newspaper articles and photographs. Board policy permits the use of student pictures, unless the principal has been notified in writing by the parents that they do not wish to have photographs of their children published.

**If you do not want Marlington Local School District to disclose directory information from your child’s education records without your prior written consent, you must notify the District in writing to Attention Superintendent’s Office, 10320 Moulin Avenue NE, Alliance, Ohio 44601 by September 15th of each school year.** Marlington Local School District has designated the following information as directory information: [Note: an LEA may, but does not have to, include all the information listed.] Student’s name; Participation in officially recognized activities and sports; Address; Telephone listing; Weight and height of members of athletic teams; Electronic mail address; Photograph; Degrees, honors, and awards received; Date and place of birth; Major field of study; Dates of attendance; Grade level and the most recent educational agency or institution attended.

Footnotes: 1.These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), the legislation that provides funding for the Nation’s armed forces.
