Superintendent’s Message:

This school year has changed for all of us in many ways and adjusting to this new normal has certainly been challenging. I want to thank everyone for their positivity and dedication to the district during this difficult time. I have seen everyone come together in such supportive ways, and that has made all the difference for our community. Although we are saddened that we were unable to finish out the school year together in our buildings, we are so appreciative of everyone’s persistence to keep the school year and learning moving forward. We would not have been able to accomplish this success without the hard work of our students, families, staff members and the community.

I am extremely proud of our students who adapted to the online learning format so quickly as I know the transition was new for everyone. They rose to the occasion by showing how learning does not exist only in the walls of our buildings, but in the spirit they bring to the district every day.

I also want to commend our teachers for their hard work to make lessons and learning possible. Without them, we would not have been able to successfully move forward with our education practices. Thank you for being dedicated to our students every day and for going above and beyond in order for them to receive a quality education. I am thankful to have such empowering individuals leading our schools.

Many things will continue to change in the coming weeks, but with those changes come new opportunities for us to move forward. We are all in this season together, and we will come out as a stronger district because of it.

To conclude, I regret to announce that my time as Superintendent of the Marlington Local Schools has come to an end, as I will be starting a new chapter of my career. Although it saddens me to part ways with my alma mater, I am honored to have had the opportunity to serve in the district for the past 8 years. Marlington will always hold a special place in my heart, and I am so grateful for all the wonderful students, teachers, staff, and community that make Marlington everything that it is. I know the district will continue to do great things, as we are Dukes - and we are #StrongerTogether.

Yours in Education,

Joe Knoll
Marlington Local Schools Superintendent

Teacher of the Year

Rookie of the Year
Marlboro Elementary School

At the Feb. 6 Board meeting, the Marlington Local School District Board of Education voted to re-open Marlboro Elementary School for the 2020-21 school year. Since that time, the district has been working to make needed repairs and upgrades as outlined by the Stark County Health Department and Marlboro fire department. At the March 19 Board meeting, the Marlington Local School District Board of Education voted to begin phase I of our elementary repairs by hiring Plug Smart to oversee a new roofing, air conditioning, and lighting project at Marlboro, estimated at $1.3 million. Finally, at the May 11 Board meeting, the Marlington Local School District Board of Education voted to reinstall the prior 2018-2019 elementary attendance zones as well.

Currently, we are working on staffing Marlboro to get the building ready for the upcoming 2020-21 school year.
Lexington Elementary School
We care and we believe that all students can learn and be successful!

From the Desk of Mr. Rogers

This school year has been very different than what we are used to, and although it is disappointing that we are unable to finish it together in person, I am so proud of the hard work and perseverance of all of our students, staff members and parents during this challenging time. You all have played a very important role to ensure that the school year continues even though we are not in our traditional setting. I want to give a special shout out to all of our fifth graders who will be moving on to a new building next year. Marlington Middle School is lucky to receive such a wonderful group of students! Best of luck to the class of 2027!

- David Rogers
Principal

President’s Award For Educational Excellence

To be eligible for the President’s Award for Educational Excellence, students must earn an A grade point average in fourth and fifth grade. This award of excellence is not only based on academic achievement but also on activities in which a student demonstrates high motivation, initiative, integrity, intellectual depth, leadership qualities and exceptional judgement.

Lexington’s Presidential Educational Excellence Award winners are: Aaron Byrnes, Madison Coblentz, Brenden Dean, Justine Doringo, Larissa Fano, Maddox Fenske, Gavan Harsh, Jessica Hornyak, Carter Howard, Dustin Jones, Ercole Jones, Colton Lane, Taegen Mayle, Alijah Metzger, Benjamin Midcap, Chelsea Miller, Emma Peterson, Claire Rice, Jackson Steer, Rylynn Teis, Annika Williamson and Connor Wines.

We are very proud of this fine group of students and hope you will continue to achieve at this level as you continue your education.
President’s Award For Educational Achievement

The President’s Award for Educational Achievement is given to students who show outstanding educational growth, improvement and commitment to intellectual development in their academic subjects.

We are proud to recognize Ryleigh Buehler, Ethan Halter, Turner Hoffman, Tessa Linder, Ryan Madden, Mason Mayes, Logan Misch, Brady Mort and Danica Sarchione.

Perfect Attendance For The Entire School Year

We would like to commend this group of students for receiving this award as they did not miss a single day of school this year! This is a wonderful achievement, and we are proud of Brooklyn Conley, Kyron Jackson, Olivia Bosca, Jai’Onna Yoho, Morgan Loar, Colton Lane and Madison Coblentz!
Washington Elementary School

Kiwanis Students Of The Month For The 2019-2020 School Year

Congratulations to the following students who have been recognized as Kiwanis Students of the Month during the 2019-2020 school year!

We are proud to recognize Talon Cyders, Michael Foss, Andrew Frederick, Jace Gates, Natalie Johnson, Nellie Lanzer, Brock Swisher and Luke Torgersen.

A Message from Mr. Groholy

The 2019-2020 school year had a very unique ending, but the character, hard work and creativity of our students and staff were stronger than ever! Our superintendent, Mr. Knoll, always says, “I am amazed, but never surprised by the actions of our community.” That couldn’t be a truer statement about the way everyone in our school community has stepped up in a difficult time for their fellow Dukes. Your actions, no matter how big or small, have not gone unnoticed and we are all very appreciative. Take care and have a safe, enjoyable summer!

- Mr. Groholy

Perfect Attendance

Congratulations to the following students for achieving Perfect Attendance for the 2019-2020 school year: Elliott Wilson, Karighyn Johnson, Irelyn Johnson and Westen Speakman.
Math Team

Our Math Dukes, Washington fifth graders, competed with hundreds of other students on Saturday, March 7, 2020, at Washington High School in Massillon. The purpose of the tournament is to generate interest in mathematics and give bright students a chance to show what they know. Our teams did a great job, with many earning ribbons! We appreciate the coaches, Mr. Greco, Mr. Male and Mrs. Wilson, and staff/parent volunteers, Mrs. Coler and Mrs. Hawthorne, who helped make this a successful program for our students this year.

Caleb Miranda: 8th place in Geometry/Measurement
Casey Minor: 4th place in Number Sense
Gabe Minor: 3rd place in Number Sense
Luke Torgersen: 7th place in Algebra/Data Analysis/Probability
Owen Wright: 6th place in Algebra/Data Analysis/Probability
Ben Warner: 5th place in Algebra/Data Analysis/Probability

GEMS

GEMS, or Gifted Education for Marlington Students, is an enrichment program provided to fourth- and fifth-grade students who are identified as gifted in reading, math and/or cognitive ability. Mrs. Meredith Wilson is the Gifted Intervention Specialist who provides this service to our students. Each year, these small groups participate in extensions of the regular curriculum, including challenging, above grade-level novel studies in reading, accelerated math lessons, such as algebra, and hands-on problem-solving projects. Gifted identified students have class with Mrs. Wilson a couple times a week in place of their regular classes. The purpose of the program is to provide our brightest students with an opportunity to advance their skills and abilities and stimulate creativity and critical thinking.

Student Council

Our student council members are the true leaders of Washington Elementary as they come to school each day with a positive attitude and a willingness to help others. These fourth and fifth graders organized a variety of events (i.e., Thanksgiving Food Drive, Akron Children’s Hospital Toy Drive, Valentine’s Heart Messages, etc.) that promoted our students making positive connections with others in and out of our building. We are very proud of their hard work!

Choir

The Washington Choir consists of third-, fourth- and fifth-grade students. These students come together on Wednesday morning before school to learn to use their voice, read choir music, and sing together in unison and in harmony. They share their performances and love of music at various venues throughout the community.

Band

The Washington Band consists of fifth-grade students. These students work hard all year learning to play their instruments to perform songs for their parents and peers.
End Of The Year Awards

Congratulations to all of the following students for their achievements in the 2019-2020 school year! We are so proud of you!

Ashley Tarter, daughter of Dave and Mary Tarter
Savannah Waffler, daughter of Chris and Kimberly Waffler

Science Fair Results
The annual high school science fair was held in February with 58 projects presented. There were 16 Superior ratings and 37 Excellent ratings. Noah Bixler won top individual project, and the team effort of Danny Grimes and Caleb Carr won top team project. The 16 Superior ratings qualified for the District Science Fair.

Receiving Superiors were: Eduardo Diaz and Jaelyn Summers; Alexis Sabatino and Katherine Beamer; Cassia Comfort and Logan Waite; Sam Dine and Jacob Charlton; Alison Landon; Caleb Carr and Danny Grimes; Evan Bland; Willa Oles and Olivia Schillig; Ashley Closky; Hailey Confalone and Lauren Keithley; Brianna Kurtz; Philip Ryan; Jayden Mitchell and Ella Wright; Walter Bungard and Noah Graham; Claire Gerber; and Noah Bixler.

Those participating in the Virtual District Science Fair through the University of Mount Union and receiving Excellent ratings were: Noah Bixler – Sugar Rocket Efficiency; Claire Gerber – Airfoils and Lift; and Alison Landon – Watershed Testing. Alison Landon was also presented monetary awards through the Akron Section of the American Chemical Society, the Northeast Section of the Ohio Water Environment Association and the Ohio Soybean Council Foundation.

Marlington Alumni Association Awards Top $90,000

The Marlington Alumni Association (MAA) hosted a livestreamed 31st annual awards event on Monday, June 1, awarding $90,550 to 50 seniors. The record-breaking awards were made possible by another year of new scholarships established through the generosity of Marlington alumni and friends. With $1.9 million in total endowments, all dedicated toward providing scholarships and awards to deserving Marlington High School (MHS) students. The organization, since inception in 1989, has awarded $864,450.

Ronald Davis ('51) received the 2020 Outstanding Alumni award. Following his acceptance of this honor, Clyde Lepley ('68), Scholarship Committee Chairman and Vondea (Bohaychyk) Sheaffer ('76), MAA Board Member, awarded student scholarships.

MAA Highest Honor – Ron Davis

Ron Davis graduated from Marlboro High School in 1951. After high school, he obtained a business degree from Ohio University, then joined the US Air Force where he trained as a fighter pilot. In 1958, he and his wife Mary moved to Hartville to lead the Buckeye Packaging Company, a company begun by his father in 1948.

The Marlboro Township-based company manufactures rolls of plastic, which can be printed and made into plastic bags. During his nearly 35 years as president, Ron grew the company from three employees to 75 and served customers throughout the Midwest. Twenty-five after his retirement, the company continues to thrive and is a significant employer in the area and supporter of local teams and other nonprofits.

Over the decades, Ron has continued to play a role in the Marlington Local School district. He has consistently organized his high school class reunion, which still meets after more than 65 years. Ron also endowed one of the Marlington Alumni Association first scholarships, in the name of his father, Ford C. Davis. Including the 2020 award, this scholarship alone has provided nearly $50,000 in support of students entering engineering or related fields.

Ron has been a lifelong resident of the area and supported many important organizations. He has been active in Lake Local Schools, where all three of his children graduated. He has also supported the Stark Community Foundation, North Canton YMCA, and Faith United Methodist Church. He was a member of Hartville City Council and is a past president of the Hartville Lions Club.

Ron is the proud father of three children: Laurie, Deborah and John. He enjoys his nine grandchildren and one great-granddaughter.

Nearly two decades after leaving the Air Force, Ron returned to the skies. He flew for business, and personal enjoyment, traveling to see friends and family. He transported patients for medical treatment as a volunteer pilot for Angel Flights. In 2019, at the age of 85, he landed a plane in Hawaii, marking the accomplishment of an unusual feat - he has landed an airplane in all fifty states!

The Marlington Alumni Association is pleased to recognize Ron Davis, Class of 1951, with its highest honor.
