

NOVEMBER NEWSLETTER

Principal's Message

Hello Washington Families,
Fall is here! It seems the weather has finally changed and it is starting to get colder. Please make sure the students have warm clothes and jackets for recess. Fall is a busy time of year for us as we have many events such as Title family night, parent-teacher conferences, and the end of the first grading period. Please make sure you look at parent square and handouts that are being sent home with information on all of our events. Thanks for a great start to the school year and please contact the office with questions.
