Ollie Octopus

Ollie Octopus lived deep in the ocean. His mom always kept him close to their home. But Ollie wanted to explore beyond his home.

One day, Ollie was playing “hide-and-seek” with his friends. He decided to hide far away. He found an old ship that had sank to the bottom of the sea. While hiding, he went all through the old ship. It had so many good hiding places.

Ollie hurried back and found his friends. He told them about the ship he had found and all the neat areas in the ship that they could play in. They all agreed to play there next time.
