### A Message from Mrs. Mort

**Hello Marlboro Families,**

Last month we navigated the waters with you for virtual parent-teacher conferences. What a journey! I have to say this was a fabulous joint effort from home to school in order to accomplish this new endeavor. Thank you for working with us and being patient through this new process. Our conferences went really well, and we safely connected for the benefit of our students, your amazing children!

We are making one adjustment to keep our students healthy and safe at school. We are requiring that students keep their masks on during recess time. Wearing masks at recess is much easier now that the weather is colder. We have been extremely healthy in our school building and we intend to continue to do that. Your students and our staff are very important to the welfare of our school family! Please remind your kiddos this is to keep them safe and healthy.

We recently had our Duke Pride assembly in November. We met as grade levels and enjoyed a fun, socially-distanced "celebration" of our students and all the impressive ways that they contribute to our school. Your children are AMAZING young Dukes!

Please contact me anytime if you have questions or just need to talk. Thank you for supporting our school, our dedicated staff and your fabulous children!

### Reminders

**STUDENT MEDICATIONS** - If your child needs to take a **PRESCRIPTION** or **NON-PRESCRIPTION** medication at school, you must have a Board of Education-approved Medication Form on file in the office. This also applies to **COUGH DROPS**. **Handwritten notes are NOT acceptable, and medication should NOT be sent in with a student.** Thank you for your help on this important safety issue. Forms are available to download from the school website or please call the office if you have any questions.

Our office is always in need of extra jackets for students. We can keep them for students as the need arises.

If you have yet to pay your school fees, please do so soon. Contact the office with any questions.

The weather is going to be staying cold from now on and we are asking that students begin to wear their winter coats, hats, gloves and boots. Students will be required to wear these on the playground, and they must also be worn on the bus.

FREE BREAKFAST & LUNCH continues.

PARENT NOTES - Send in notes for your child if there is a change in their dismissal routine.

ABSENCES - If your child is absent, he/she will be marked as "unexcused" until a note stating the reason for your child's absence is turned into the office. If you take your child to the doctor please request a doctor's note.

Brady knows the meaning of effort, responsibility and integrity, which will take him far in life. He is a great student who participates in class discussions, encourages classmates and is always eager to learn more. Each morning he is prepared and ready to learn, and each afternoon when he leaves, he makes a point to tell me goodbye. What a pleasure to watch this young man grow! *So proud of you, Brady!*

5TH GRADE

Mrs. Beadles – **Conner Gill**

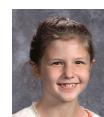

Conner was chosen because he is lighthearted, funny and caring. He can make his classmates smile at any time and puts forth the effort in caring for everyone's feelings. I am very proud of how Conner has transitioned into 5th grade and continues to set a great example for his classmates. Great work, Conner! *You have an awesome, positive attitude.*

Mr. Greco – **Ember McCarty**

Ember has a strong work ethic and determined attitude. She has adjusted wonderfully being a new student at Marlboro Elementary this year and made fast friends with those around her. Ember is a great artist and uses her ability to help communicate school events and make classroom signs.
