**Strategy: Menu Board** – students make selections from a menu of options.

**National Park Project**
You will be completing a research project on your National Park. You will make selections from the menu below. You will need to have a main course, side dishes, and a dessert to complete your project. Time will be spent both in and out of class to complete this project. Use the guidelines on the next page to help you make the best choices. The total for this project is 30 points.

My National Park: _____________________ Due Date: _______

**MENU**

**Main Course:** 15 pts  
Research: Write an informational report on your park.

**Side Dishes:** 5 pts each (choose 2)  
Letter: Pretend you lived in the years before the park was established. Write a letter to the Department of the Interior persuading them to create your national park.

Brochure: Create an attractive brochure for your national park that would entice a family to visit.

What if? Describe what would have happened if your national park had never been established.

**Desserts:** 5 pts (choose 1)  
Poster: Make a poster that highlights one of the key features of your park.

Map: Make a kid-friendly map of your national park.
