### A Message from Mrs. Mort

#### Hello Marlboro Families,

Marlboro had a busy month of testing for our third graders. Our third-grade teachers put in extra work this month in preparing our kiddos for this journey! We have a fabulous staff of folks that provide many different types of interventions for our students. We want you to know how much we invest in your children and appreciate your communication and collaboration in order for our students to have the utmost success.

We also had a wonderful Halloween celebration! Our students enjoyed a cool party provided by our PTO parents and a parade full of candy pitstops!

Our students are still working hard showing their DUKE Pride Expectations! You may receive a dojo message or note about the excellent behaviors that your child is displaying. If you haven't joined your child's class dojo communication, please do so very soon. If you need the information again, contact your child's teacher. We want to stay connected with you as much as possible. We value the home to school connection.

Please contact me anytime if you have questions or just need to talk.

Thank you for supporting our school, our dedicated staff and your fabulous children. :-)

**Parent Notes:** Send in notes for your child if there is a change in their dismissal routine.

**Medications:** Prescription and nonprescription medications need to be brought to the office by an adult with the proper paperwork. Please contact the school with any questions.
